

DON DIEGO SCHOLARSHIP FOUNDATION

Our Donors Are Our Foundation . . .
Thank You for Your Ongoing Support!

*Celebrate Don Diego's
35th Anniversary with a donation
as exceptional as our scholarship recipients.*

Over the 35 fulfilling years of our existence, nearly 300 Scholar-Leaders have shared more than \$1 million in donor-sponsored college scholarships propelling them to universities across the country and careers across the spectrum, from agriculture to teaching to tech and more.

Some Stellar Scholars

1995's Vince Mukulanis honors his agricultural roots and passion for forest conservation as a Davey Resource Group executive in San Diego.

1999's Amber Lynn Scott, having served with the Blue Angels and as White House Social Aide, now soars toward a PhD at USC.

2016's Carney Flinn, an ardent geneticist, graduated from UCLA and is pursuing an M.D. while conducting COVID-19 patient care studies.

2021's Edwin Vargas Navarro, who captured the largest award total — \$21,000 — in Don Diego's history, is making history as a first-gen changemaking freshman at UC Berkeley.
