To Whom It May Concern:

I am writing this letter of recommendation on behalf of Keleigh Williamson. I have had the pleasure of knowing and working with Keleigh for the past 18 years. As a colleague of her mother, it has been a pleasure to watch Keleigh grow into the incredibly caring, hard-working, nurturing, and fun-loving young lady she is today. As the Assistant Principal of her high school, I can honestly say that she has become a strong positive influence on our campus.

Keleigh has demonstrated excellent leadership qualities while participating in FFA. She has served as the VCHS FFA Reporter for two as well as two years as President. Throughout her tenure, she has been diligent in performing her job duties while juggling her academics, participating in community service, and working. During her free time, she has raised and shown cattle along with raising hogs and chickens.

During her senior year, Keleigh suffered a painful and traumatic accident as she was injured by her calf. She has struggled physically, mentally and emotionally and yet she has continued to push through and do her best to continue to reach her academic and personal goals. I have no doubt that as she progresses and her recuperation continues she will come out of this stronger and more determined to achieve her ultimate goal of becoming an Agriculture Teacher.

It is without hesitation, I recommend Keleigh Williamson to you as an outstanding candidate for acceptance into your institution. Her tenacity, dedication, and commitment, along with her qualities mentioned above will undoubtedly make her an exemplary student. Please feel free to contact me if you have any other questions or would like further information.

Sincerely,

Norma Carrillo
Assistant Principal
